## SUMMARY

Highly motivated and skilled full-stack developer with 3+ years of experience in building robust and scalable web applications. Proficient in multiple programming languages, frameworks and implementing APIs. I am eager to continue learning and growing my skills as a developer.

## EXPERIENCE

### Front-end Developer and Designer

Quarta Rede Digital (2022 – Present)

- Enhancing usability and visual appeal through Figma.
- Developing interactive components and user interfaces with JavaScript and React to elevate user experiences.
- Presenting design ideas and concepts to clients and stakeholders.

### General Manager

Fênix Cargo (2017 – 2021)

- Ensure timely and accurate delivery of shipments.
- Overseeing day-to-day operations, including logistics, and warehouse management.
- Establishing and maintaining relationships with stakeholders and clients.

### Technical Support

IBM (2015 – 2016)

- Remote assistance to end-users in multiple languages.
- Maintaining and updating inventory of software assets.
- Participated in the testing and evaluation of new application before deployment.
